

European School of Genetic Medicine
1st COURSE IN GENETIC AND ACQUIRED THROMBOPHILIA:
INVESTIGATION AND MANAGEMENT

November 29 - December 2, 2003

Limassol, Cyprus

Directors:

Andrew Nicolaides (Nicosia, CY)

Sergio Coccheri (Bologna, I)

Faculty:

Klaus Breddin (Frankfurt, D), Valerio De Stefano (Chieti, I), Maura Griffin (Nottingham, UK), Sylvia Haas (Munich, D), Russel Hull (Calgary, CDN), Jan Jacques Michiels (Gent, B), Paolo Prandoni (Padua, I), Michel Samama (Paris, F), Simon Simonian (Charlestone, USA), Stavroulla L. Xenophontos (Nicosia, CY).

Saturday, November 29th, 2003

Morning Session

8.25	Welcome Address
8.30	A. Nicolaides (Nicosia, CY) Venous Thrombosis and Pulmonary Embolism. The magnitude of the problem
9.15	M. Griffin (Nottingham, UK) The diagnosis of DVT using ultrasound
10.00	S. Simonian (Charlestone, USA) The Diagnosis of Pulmonary Embolism
10.45	Coffee break
11.00	S. Coccheri (Bologna, I) Venous Thromboembolism: natural history and implications for management
11.45	K. Breddin (Frankfurt, D) Epidemiology of hereditary thrombophilia

- 12.30 **J.J. Michiels** (Gent, B)
Hereditary thrombophilia: methods of detection and clinical manifestations
- 13.15 Lunch

Afternoon Session

- 14.30 **V. De Stefano** (Chieti, I)
Acquired Thrombophilia and Venous Thrombosis
- 15.15 Coffee break
- 15.30 **To be announced**
Thrombophilia in patients with CVI
- 16.15 **S. Xenophonos** (Nicosia, CY)
Thrombophilia in Mediterranean Countries

Sunday, November 30th, 2003

Morning Session

- 8.30 **R. Hull** (Calgary, CDN)
Management of Venous Thromboembolism. Who Should we Test for Thrombophilia?
- 9.15 **K. Breddin** (Frankfurt, D)
The Management of Venous Thromboembolism in the Presence of Thrombophilia
- 10.00 **P. Prandoni** (Padua, I)
Recurrent DVT and the postthrombotic syndrome: diagnosis and management
- 10.45 Coffee break
- 11.00 **M. Samama** (Paris, F)
Management of VTE in the presence of thrombophilia (Guidelines and areas without evidence)
- 11.45 **S. Haas** (Munich, D)
Prevention of VTE
- 12.30 **A. Nicolaidis** (Nicosia, CY)
Prevention of VTE. Cost effectiveness
- 13.15 Lunch

Afternoon Session

- 14.30 **R. Hull** (Calgary, CDN)
Prevention in the presence of thrombophilia (Symptomatic and asymptomatic)
- 15.15 Coffee break
- 15.30 **M. Samama** (Paris, F)
Pregnancy and thrombophilia. Investigation and Management
- 16.15 **To be announced**
Oral contraception and HRT in the presence of thrombophilia (Symptomatic and asymptomatic)

Monday, December 1st, 2003

Concurrent Workshops and Development of Guidelines based on Scientific Evidence

Tuesday, December 2nd, 2003

Concurrent Workshops and Development of Guidelines based on Scientific Evidence
