

# Multimodal analgesia strategies for pain management

E-LEARNING PROJECT

Scientific Director: *Giustino Varrassi*

June 1<sup>st</sup> 2020

May 31<sup>st</sup> 2021

## Scientific Program

Clinical pharmacology of analgesics

Conceptual principles of multimodal analgesia

Available medicines and clinical experiences for their use

*D. Fornasari*

*G. Varrassi*

*S. Coaccioli*

## Faculty

*Stefano Coaccioli*

Professor of Internal Medicine - Rheumatology and Pain Medicine  
Perugia University School of Medicine, Perugia - Italy  
«Santa Maria» General Hospital, Terni - Italy

*Diego Fornasari*

Associate Professor of Pharmacology, Department of Pharmacology,  
now Department of Medical Biotechnology and Translational Medicine, University of Milan - Italy

*Giustino Varrassi*

WIP President - World Institute of Pain

## Italian CME - Continuing Medical Education (only for Italian Physicians)

The E-Learning project has been accredited by the National Commission for Continuing Education with the educational objective: Management of Acute and Chronic Pain. Palliative Care (21) for the following disciplinary areas: Medical Surgeon (Disciplines: Continuity of Care, Geriatric, Emergency Medicine and Surgery, General Medicine (MMG), Internal Medicine, Orthopedics and Traumatology, Rheumatology, Anesthesia and Intensive Care) for 15.000 participants. Credits will be recognized only upon an overall quiz score of 75% or higher. The participation is free of charge  
CME credits: 3 - CME ID 93-295724

Supported by  
an unrestricted  
Educational grant

FONDAZIONE  
INTERNAZIONALE  
MENARINI

## How to subscribe

- ✓ Go to **[www.mmanalgesia.eu](http://www.mmanalgesia.eu)**
- ✓ Make the subscription with the dedicated form choosing between Italian CME user or foreign user (clicking on the preferred button). Please fill it in with your personal data. Afterwards, you will receive a confirmation email. Then, you can log in at any time using the username and password chosen during the registration.
- ✓ CME Questionnaire Area: online CME questionnaire will be available in this area only after the viewing of all the scientific sessions.
